## WHAT WILL YOU LEARN?

- Practical knowledge you can use and apply in your own community
- Field-tested tips and techniques to strengthen your skills
- Confidence and motivation to do the needed work

## CAN WE TAKE THE MODULES AS A GROUP?

**YES!** If wish to purchase group enrollment, please contact us at [toolbox@ku.edu](mailto:toolbox@ku.edu).

## HOW LONG WILL IT TAKE TO COMPLETE THE TRAINING?

The modules are self-paced, so it will depend on your schedule and the time you take to go through the content. We estimate that on average each module will take roughly 2-3 hours to complete, though it will vary by individual.

## WHO IS BEHIND IT?

*Building Healthy Communities* was developed by a multi-disciplinary team at the University of Kansas Center for Community Health and Development, the creators of the Community Tool Box (<https://ctb.ku.edu>).
